FROM THE DESK OF THE CHANCELLOR

सत्यमेव जयते

LIEUTENANT GOVERNOR
RAJ BHAVAN
JAMMU-180001
JAMMU & KASHMIR

It is a matter of immense pleasure that the University of Jammu has come up with the second edition of Handbook for the ambitious four-year innovative Under Graduate program 'Design Your Degree (DYD)' launched by the University in 2023. It is a unique and successful endeavour in the spectrum of higher education which provides students freedom to orient and shape their learning based on their interests and career goals. It is heartening to be informed that the program is running successfully since its inception, offering students new and creative learning opportunities.

This edition of Handbook will offer them key insights, including program information, course structure, and guidance to enhance learning experience of the students. I am sure that this handbook will prove to be a valuable resource for them.

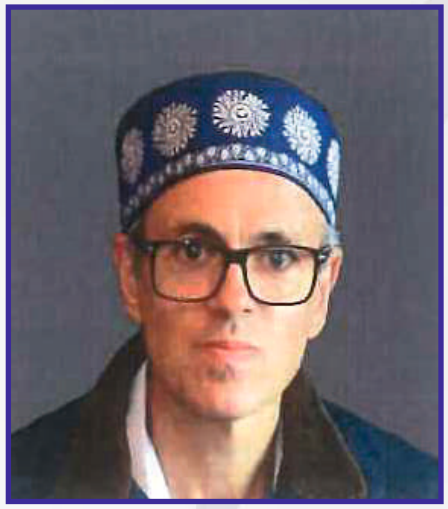

I extend my best wishes to the University of Jammu, the faculty, and the students for the continued success of this initiative.

Sh. Manoj Sinha

FROM THE DESK OF THE PRO CHANCELLOR

सत्यमेव जयते

CHIEF MINISTER
JAMMU & KASHMIR

I am pleased to write this message for the Handbook of the Design Your Degree (DYD) Program 2025, an innovative initiative by the University of Jammu. This forward-thinking program is focused to empower the students by way of creating customized courses aligning with their interest and make them future ready by way of access to a wide range of resources and opportunities, including internships, research projects and extra-curricular activities.

The program is designed to provide students with the freedom to break away from traditional academic constraints and cultivate a well-rounded, personalized education. By offering such flexibility and interdisciplinary learning, the University of Jammu empowers its students to take ownership of their learning, fostering independent thought and intellectual curiosity.

As Pro-Chancellor, I commend the University of Jammu for its commitment to educational innovation. The DYD Program is a significant step toward nurturing independent thinkers and future leaders who can contribute meaningfully to society.

I extend my best wishes to the leadership team, faculty members and students, enrolled in the DYD program, of the University of Jammu for the 'Handbook of the Design Your Degree Program (DYD) 2025. I trust that this Handbook will be an invaluable resource for both students and faculty as they embark on this exciting academic journey.

Jb. Omar Abdullah

FROM THE DESK OF THE VICE-CHAIRMAN J&K HIGHER EDUCATION COUNCIL

सत्यमेव जयते

VICE-CHAIRMAN
J&K HIGHER EDUCATION COUNCIL
AND
FORMER VICE-CHANCELLOR
UNIVERSITY OF DELHI

The "Design Your Degree" program at the University of Jammu embodies a transformative approach to higher education, emphasizing flexibility, innovation, and multidisciplinary learning. The pedagogy emphasises a project-based problem solving approach. The curriculum connects to the needs and challenges of society and also offers an entrepreneurial dimension as a part of the choices on offer period. This initiative allows students to curate their academic paths, integrating diverse disciplines that align with their interests and career goals. Inspired by the National Education Policy, it promotes a learner-centered model that fosters critical thinking and adaptability in a rapidly changing world. By encouraging interdisciplinary connections, this program prepares students to thrive as versatile professionals capable of addressing complex societal challenges.

Prof. Dinesh Singh

FROM THE DESK OF THE VICE CHANCELLOR

VICE CHANCELLOR
UNIVERSITY OF JAMMU

I am pleased to learn that the University of Jammu is bringing out the Handbook 2025 for the Design Your Degree program. The Design Your Degree program represents a forward-looking approach to education, offering students the opportunity to shape their academic paths in alignment with their individual interests and aspirations. It reflects the University's commitment to cultivate the individuals who possess both in-depth expertise and a broad understanding of diverse disciplines.

Encouraging students to explore multiple fields, the program fosters an enriching learning environment where practical knowledge combines with innovative thinking. This dynamic structure not only enhances intellectual development but also equips learners with adaptable skills essential for navigating and evolving professional landscapes.

The program aims to inspire originality, analytical thinking and a comprehensive understanding of contemporary challenges. Students are invited to approach their studies with curiosity and confidence, utilizing this unique platform to craft meaningful academic and professional experiences.

I extend my warm greetings and best wishes to all the stake holders associated with the Design Your Degree program for all their endeavor.

Umesh Rai

Prof. Umesh Rai

FROM THE DESK OF THE DEAN ACADEMIC AFFAIRS

DEAN ACADEMIC AFFAIRS
UNIVERSITY OF JAMMU

The Design Your Degree program re-imagines the way education is approached, offering students the freedom to shape their academic pursuits according to their aspirations. By combining courses from diverse disciplines, this program bridges the gap between conventional learning methods and the needs of a modern, interconnected world.

This initiative promotes a culture of intellectual exploration, encouraging students to think critically and embrace innovative approaches to learning. It provides a platform where academic excellence meets creativity, allowing learners to build skills that are both versatile and relevant. The program also enables students to connect knowledge from different fields, preparing them to address multifaceted challenges with confidence and insight.

Through this structure, students gain a well-rounded perspective while mastering their chosen areas of expertise. This balance between depth and breadth ensures they are equipped to thrive in dynamic professional environments and contribute meaningfully to society.

Anju Bhasin

Prof. Anju Bhasin

FROM THE DESK OF THE DIRECTOR

DIRECTOR
SKILL, INCUBATION, INNOVATION AND ENTREPRENEURSHIP DEVELOPMENT CENTRE
UNIVERSITY OF JAMMU

The Design Your Degree program offers a distinctive opportunity for students to shape their educational journey by integrating courses from various disciplines, enabling a truly personalized academic experience. This initiative is designed to align education with individual passions and career aspirations, ensuring a diverse skill set that is both relevant and future-focused.

The flexibility of this program allows students to explore different areas of knowledge, developing both deep expertise and a broad perspective on global challenges. By stepping outside traditional learning structures, students are empowered to discover new ways of thinking and problem-solving.

This interdisciplinary approach encourages creativity, critical thinking, and practical application, providing students with the essential skills needed to tackle real-world issues. Beyond theoretical knowledge, the program emphasizes hands-on learning and the ability to connect concepts across fields.

Alka Sharma

Prof. Alka Sharma

ABOUT THE UNIVERSITY OF JAMMU

Recognized as one of the premier institutions of the country, the University of Jammu, accredited as an 'A++' grade University by National Assessment and Accreditation Council (NAAC), came into existence in 1969 vide Kashmir and Jammu Universities Act 1969 following bifurcation of the erstwhile University of Jammu and Kashmir on September 5, 1969. Apart from its main campus and old campus in Jammu, the University has eleven other offsite campuses, out of which seven campuses located at Bhaderwah, Kathua, Kishtwar, Poonch, Ramnagar, Reasi and Udhampur are functional. Teaching-learning and research are being carried out by forty departments and one hundred seventy affiliated colleges, awarding degrees in more than sixty programmes at the postgraduate and undergraduate level.

The University has been on a remarkable trajectory of growth, evident from recent developments. It not only achieved an 'A++' grade during its third cycle of accreditation by the NAAC in 2016 but also consistently demonstrated its dedication to quality by consistently ranking among the top 100 universities in India according to the National Institution Ranking Framework (NIRF) of the Ministry of Human Resource Development (MHRD) since 2016. The University of Jammu is one of only 14 universities in the country to receive grants under the "Promotion of Research and Scientific Excellence Programme (PURSE I & II)" from the Department of Science and Technology, Government of India, based on an independent evaluation of scientific publications using the SCOPUS database over a ten-year period.

Recently, there has been a notable emphasis on fostering a culture of research and innovation, as well as promoting an entrepreneurial environment within the University. The University is vigorously promoting experiential learning by overhauling the curriculum and teaching methods for various programs, encouraging practical learning and project-based solutions to real-world issues. This marks a shift from traditional teaching methods.

The University of Jammu is amongst the first institutions in J&K to have been granted permission by the UGC to offer online programs through its Directorate of Distance & Online Education. M.Com. and M.A. (English) programmes are being offered online. The University has also launched its MBA (Executive Development Programme) in blended mode at The Business School. This program shall cater to the needs of working professionals who seek to acquire knowledge and skills to excel in today's competitive global landscape.

The University of Jammu firmly believes in the importance of collaborations and has recently established partnerships with prestigious institutions such as IISc, Bangalore, IIT Bombay for ventures related to startups, innovation, research, capacity building, and internships. Additionally, it has partnered with the Indian Space Research Organization (ISRO) to provide internship opportunities and short-term courses in space and science education. Furthermore, it is collaborating with IHub Divyasampark, a joint venture of the Indian Institute of Technology-Roorkee (IIT Roorkee) and the Department of Science & Technology, Government of India, to offer logistical and financial support to startups.

The University, through its various initiatives and endeavours, is committed to its mantra "Dissolving Boundaries & Evolving Education" and is well poised to achieve higher levels of excellence in the academic landscape of the country.

ABOUT THE SKILL INCUBATION INNOVATION ENTREPRENEURSHIP DEVELOPMENT CENTRE (SIIEDC)

University of Jammu established the Skill Incubation, Innovation and Entrepreneurship Development Centre (SIIEDC) with a core objective of synergizing the various initiatives for developing an ecosystem of start-ups and entrepreneurship in the University as well as the region. The Centre has four distinct verticals, which aim at Skill Development & Career Development, Business Incubation & Innovation Activities, Industry - Academia Partnership and Entrepreneurship Development. In an attempt to support these initiatives, the Centre has three different policies viz. Institutional Innovation Council (IIC), National Innovation Start Up Policy (NISP) and IPR Policy in its mandate.

SIIEDC has started an innovative Under Graduate Program "Design your Degree" from the Cat session 2023 – 24, where the Ist batch has already been enrolled. The program strategically encompasses a wide spectrum of activities aimed at fostering well rounded development of students, enhancing their abilities and aligning them with the industry. The students engage with the outside world during their academic journey so as to develop an aptitude to innovate and incubate their business ideas into start-ups and enterprises.

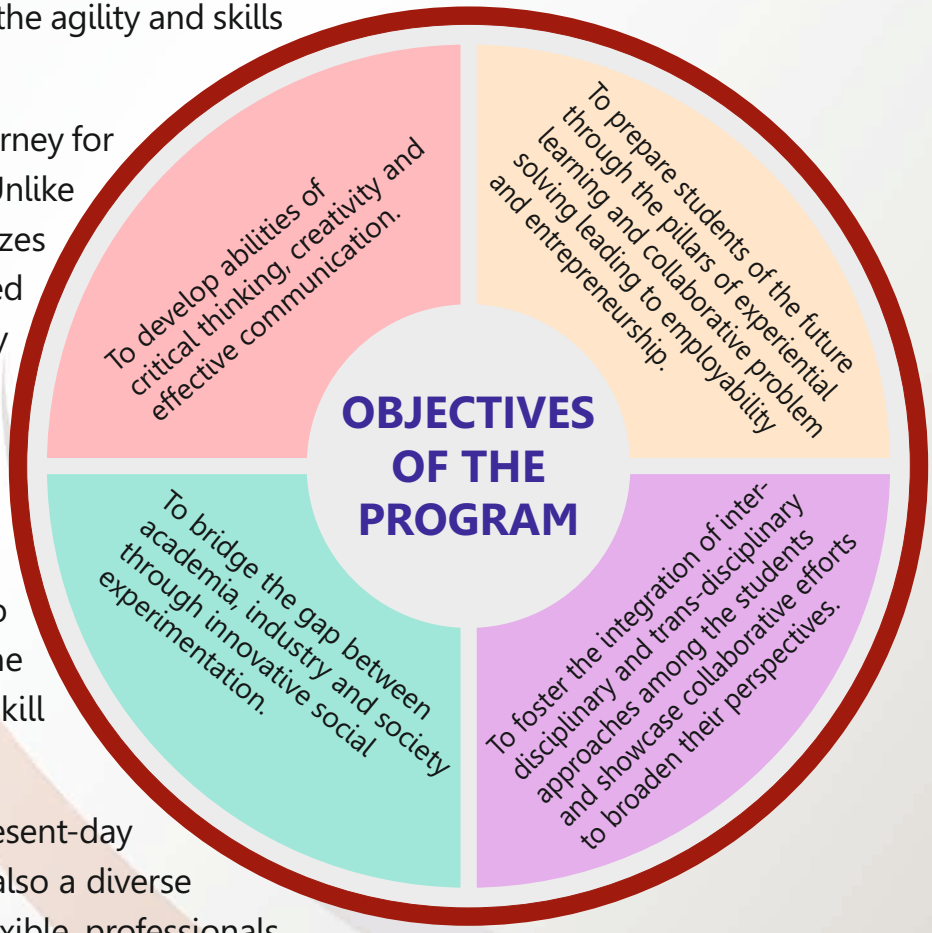

The various initiatives of SIIEDC are thoughtfully being operationalized at three distinct levels – Creating Awareness, Developing Competencies and Cultivating Attitudes to provide a comprehensive learning experience to the stakeholders. These include various value-added courses on life skills, Communication Skills, IT Skills, Awareness programs about IPRs, Entrepreneurship Development Programs, Awareness Sessions on Incubation and Start up Activities etc.

Thus, Skill, Incubation, Innovation and Entrepreneurship Development Centre (SIIEDC) aspires to build an ecosystem that not only provides trainings in essential skills and competencies but also nurtures innovativeness and entrepreneurial spirit among students. The approach is to empower the students with requisite tools and understanding to thrive in the dynamic environment of Knowledge Economy.

ABOUT THE "DESIGN YOUR DEGREE PROGRAM"

Design Your Degree is a flagship program of the University of Jammu under NEP 2020. It is a step towards transforming higher education and revolutionizing the way students pursue academic aspirations. With the motto, **"Teach to Transform, Educate to Empower and Learn to Lead"**, the program equips students with the agility and skills required to excel in diverse professional spheres.

"Design Your Degree" is not just a program; it's a transformative journey for students seeking to harness the power of a tailored education. Unlike traditional degrees, this innovative four-year program prioritizes student engagement. It empowers learners to curate a personalized curriculum by selecting courses across diverse disciplines, effectively breaking down silos and fostering interdisciplinary learning.

What sets "Design Your Degree" apart from conventional degrees is its departure from the one-size-fits-all approach. Traditional degrees often follow predetermined paths, limiting students' exploration of their interests. In contrast, this program caters to individual strengths, passions, and aspirations. Recognizing the changing demands of the workforce, the program emphasizes skill acquisition alongside domain-specific knowledge.

The demand for this program arose from acknowledging that present-day graduates should encompass not just specialized knowledge but also a diverse skill set. The swift pace of technological progress mandates flexible professionals capable of transitioning between various fields. "Design Your Degree" meets this requirement by cultivating essential competencies including critical thinking, effective communication, mathematical ability, creativity, analytical prowess, teamwork, leadership qualities, effective problem-solving, and collaborative aptitude – all of which are indispensable for triumph in today's interconnected global landscape.

WHY CHOOSE "DESIGN YOUR DEGREE PROGRAM"?

1. Students get to explore their interests and passion before selecting their degree (BA, B.Com., B.Sc., B.Tech).

2. Complete freedom to design a customized program.

3. Offers a pool of interdisciplinary Foundation courses in the first two years of study leading to holistic development of students.

4. Helps students develop a wide array of skills- Life Skills, Soft Skills, Team Building Skills, Analytical Skills, Digital & Teachinal Skills, Problem Solving Skills & Critical & Creative Thinking.

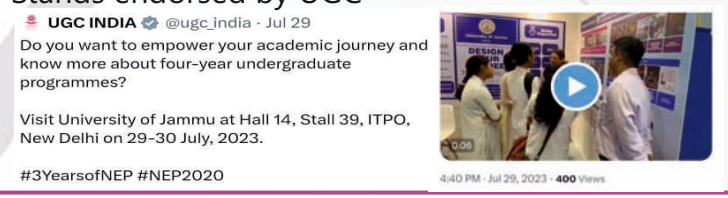

5. Program developed at par with any undergraduate program at the global level in consultation with leading experts from academia, industry, AI & Robotics.

6. Teaches practical application of AI, Coding, GPT4, Data, making students more employable and job ready.

7. Promotes experiential learning and collaborative problem solving approach.

8. Mentored by a qualified and experienced team of faculty from varying fields, both from within and outside the university.

9. Stands endorsed by UGC

10. Leads to enhanced job opportunities as well as entrepreneurial abilities.

PROGRAM STRUCTURE

DESIGN YOUR DEGREE

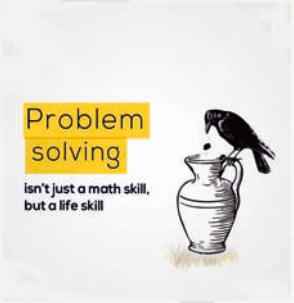

An Innovative Four Year Undergraduate Program

In spirit of NATIONAL EDUCATION POLICY 2020

DEGREES OFFERED

B.Sc./ B.B.A./ B.Com./ B.A./ B.Tech.

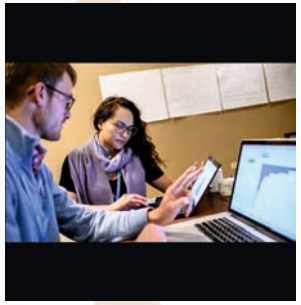

SEMESTER I

LIFE SKILLS

MATHEMATICS WITHOUT PHOBIA

UNDERSTANDING THE WORLD THROUGH DATA LENS

EXPRESSING CREATIVITY

EXPLORING THE SURROUNDINGS

IT IN EVERYDAY LIFE

SEMESTER II

DISCOVERING THE SELF

DECODING THE WORLD THROUGH AI

WORLD OF STARTUPS THROUGH REAL LIFE STUDIES

ART AND AESTHETICS OF DESIGNING

RESPONSIBLE CITIZENSHIP THROUGH EXPERIMENTATION

CODING THROUGH GPT4

PROGRAM STRUCTURE

DESIGN YOUR DEGREE

An Innovative Four Year Undergraduate Program

In spirit of NATIONAL EDUCATION POLICY 2020

SEMESTER III

DEVELOPING EQUIPOISE OF MIND AND BODY

UNDERSTANDING THE CHALLENGES OF CLIMATE CHANGE

DOES THE WORLD REVOLVE AROUND ECONOMICS

TECHNOLOGIES OF THE FUTURE

SOCIAL INNOVATIONS

ART AND SCIENCE OF COMMUNICATION

SEMESTER IV

DEMYSTIFYING HUMAN BEHAVIOUR

MARVELS OF THE WORLD

EXPLORING TOURISM IN J&K : AN ENTREPRENEURIAL PERSPECTIVE

EXPLORING THE WORLD OF CINEMA WITH SMARTPHONES

FOOD AS MEDICINE : TRADITIONAL AND MODERN PRACTICES

DIGITAL HUMANITIES

SUMMER INTERNSHIP/ RESEARCH PROJECT/ PROTOTYPE DEVELOPMENT/ BUSINESS IDEA DEVELOPMENT

SEMESTER V-VIII

LIFE SCIENCES/ MATHEMATICAL SCIENCES/ ARTS/ SOCIAL SCIENCES/ EARTH AND ENVIRONMENTAL SCIENCE/ BUSINESS STUDIES/ PHYSICAL SCIENCES/ VISUAL AND PERFORMING ARTS

ADMISSIONS TO DESIGN YOUR DEGREE PROGRAM

The undergraduate 'Design Your Degree' Program shall be of either a three-year or four-year duration, with multiple entry and exit options within this period.

Exit Options :

- After the completion of first year (two semesters) : Certificate
- After the completion of second year (four semesters) : Diploma
- After the completion of third year (six semesters) : Bachelor Degree

Candidate after successful completion of three year bachelor degree with minimum CGPA of 7.5 can pursue the fourth year for a bachelor degree with honours/research.

The four years bachelor program shall be the preferred option as it allows the student an opportunity to experience the full range of holistic and multidisciplinary education with a focus on major subjects as per the student's preference. The undergraduate program shall extend over four academic years (eight semesters).

Lateral Entry:

The candidates taking exit will have option to join back through lateral entry mode to complete the program within the period permissible and as specified in the University rules.

Intake Capacity :

40 Students, including reserved category. The reservation for SC/ST/OBC/PWD/EWS shall be as per the rules of UT administration/ University of Jammu.

Eligibility Criteria:

General Category : 60% aggregate marks in the senior secondary/10+2 or its equivalent, conducted by CBSE/ Jammu & Kashmir Board of School Education or any other School Board recognized as equivalent thereto 55% marks in case of reserved category of SC/ST.

A candidate shall deem to be the student of the university, as soon as he/she is accepted for enrolment in the course and has paid the prescribed fee. The admission shall, however, be provisional unless regularized by the University.

Admission Procedure:

Admission shall be made on the basis of an entrance test conducted by the University of Jammu followed by Group Discussion and Interview. The eligible candidates shall be selected for admission to the program on the basis of the following components:

S.No	Component	Weightage (%)	Explanatory Remarks
1	Academic 12th	10	Academic score shall be allotted on pro rata basis.
2	Entrance Test	60	As per the Schedule notified by the University of Jammu, a candidate is required to take Entrance test on general awareness, aptitude (logic & reasoning)
3	Group Activity/ Discussion	15	To be conducted in groups
4	Personal Interview	15	To be conducted individually for each candidate.

Candidates shall be called for Group Discussion and Personal Interview in the ratio of 1:3 based on the combined score of S. No. 1 & 2.

The merit for admission purpose shall be calculated on the basis of the composite score obtained by the candidate in the Entrance Test, Academic component (12th Class), Group Discussion and Personal Interview which shall be displayed on the University of Jammu website / SIIEDC ratio Website.

STUDENTS SPEAK.....

My journey in the Design Your Degree (DYD) program has been transformative, expanding my academic horizons beyond my humanities background. I've gained exposure to fields like programming, mathematics, and physics, with the support of mentors who made complex concepts accessible. Participating in the National Science Conference and presenting on sustainability deepened my research skills, while performing in a drama helped me overcome my fear of public speaking. DYD has boosted my confidence, reshaped my mindset, and taught me resilience in the face of challenges. This program has truly broadened my perspective and enriched my personal and academic growth.

Paridhi Mahajan
3rd Sem, Design Your Degree

When I first learned about the "Design Your Degree" program at the University of Jammu, I was unsure but excited about creating my own curriculum. The program allowed me to shape my education around my interests and career goals, making learning more engaging. I developed critical skills like problem-solving and creativity through hands-on projects and interdisciplinary courses. The focus on real-world applications, like internships and workshops, helped me bridge the gap between academia and industry. Although challenging, the support from faculty and mentors made the journey incredibly rewarding. Overall, DYD empowered me to discover my passions and equipped me to pursue my dreams confidently.

Adil Mahajan
3rd Sem, Design Your Degree

The Design Your Degree program at the University of Jammu has been an enriching experience. Initially, the lack of structure made me feel uncertain and I often compared myself to more confident peers. However, over time, I realized that this journey is about self-discovery and learning at my own pace. The freedom to explore different fields has helped me grow, but I believe more structured mentorship and industry exposure would enhance the experience. This program has not only shaped my academic path but has also empowered me to approach challenges with creativity and determination.

Kaashvi Taggar
1st Sem, Design Your Degree

The Design Your Degree program at the University of Jammu has been a unique and transformative experience for me. Initially, the flexibility and lack of a rigid structure felt overwhelming, and I often struggled to find my footing. However, as I progressed, I began to appreciate the freedom to explore various fields and design my own academic journey. This program has encouraged me to step out of my comfort zone, and I have learned valuable lessons along the way. While the freedom is empowering, I believe that incorporating more structured mentorship and practical exposure to real-world scenarios would further enhance the learning experience. Overall, this journey has been an essential step in my personal and academic growth.

Nishkarsh Singh
1st Sem, Design Your Degree

Glimpses of Events

Workshop on 3D Printing and Assembling: 29th April 2024 – 2nd May 2024

This four-day workshop offered hands-on training in designing, assembling, and operating 3D printers. Participants gained practical knowledge of 3D modeling, slicing software, and troubleshooting techniques, while creating tangible prototypes. It was conducted in collaboration with Mekuva Technologies and the sessions were led by resource person T.N. SivaChary.

Workshop on Puppetry: 24th April 2024

This workshop focused on teaching puppetry, enhancing storytelling skills, and exploring cultural and artistic expression. Jaswinder Singh, an art expert from Sangrur, Punjab, served as the resource person, highlighting puppetry as a powerful medium for communication and storytelling. Participants learned the fundamentals of storytelling, crafted their own puppets, and gained a deeper appreciation for cultural and artistic traditions through interactive and creative activities.

1-Day Workshop on Usability & User Specifications: 13th September 2024

The workshop focused on usability principles, user-centered design, and understanding user requirements for creating intuitive and accessible systems. Dr. Amitash Ojha from the Department of Humanities and Social Sciences at IIT Jammu served as the resource person. He highlighted the importance of prioritizing user needs and incorporating feedback to design inclusive, user-friendly systems.

1-Day Workshop on Art of Living: 19th January 2024

The workshop focused on improving mental well-being through stress management techniques, meditation practices, and promoting a balanced lifestyle. It was conducted by resource persons from the Art of Living, participants were guided in practical methods to manage stress and cultivate mindfulness, fostering a healthier and more balanced approach to daily life.

Ideation Workshop at IUST Kashmir

the ideation workshop to foster entrepreneurship, innovation, and creativity among young minds, our team visited the Islamic University of Science and Technology (IUST) to conduct a workshop on EYIC. The workshop aimed to equip students with the necessary skills and knowledge to become successful entrepreneurs and innovators. The workshop was attended by 12 students from Design Your Degree, University of Jammu.

1- Day Workshop on Eye-Tracking and Attention: 16th November 2024

This one-day workshop focused on the technology of eye-tracking and its applications in understanding human attention, behavior analysis, and interface usability. The students of Design Your Degre got the chance to visit the IIT Jammu, where they gained knowledge on eye-tracking tools and explored how this technology is used in research and design. The session highlighted the role of eye-tracking in analyzing user interactions and improving interface design, providing participants with valuable insights into human behavior and attention dynamics.

5 Days Workshop Course on Yes PLUS

Yes PLUS course typically focuses on improving overall well-being, reducing stress, enhancing mental clarity, and fostering personal growth through techniques like mindfulness, meditation, breathing exercises, and self-reflection. Here's an outline of what such a workshop could include: Yes PLUS course typically focuses on improving overall well-being, reducing stress, enhancing mental clarity, and fostering personal growth through techniques like mindfulness, meditation, breathing exercises, and self-reflection.

2 Days Workshop on Storytelling in Museums : 18th November 2024 – 24th November 2024

The workshop, led by Vikram Sridhar, focused on enhancing museum experiences through storytelling, narrative curation, and multimedia integration. Participants engaged in hands-on activities, group discussions, and explored various aspects of heritage, including objects, nature, and cultural traditions. The program concluded with group presentations of heritage stories, and students also visited cultural hubs in Jammu to deepen their understanding of local traditions.

Recent Workshop Booked and Hooked (A One-day Workshop an Book Review): 2nd December 2024

The one-day workshop, "Booked and Hooked," organised by the students of Design Your Degree taught participants how to critically analyze and review books. It covered techniques for summarizing content, evaluating writing styles, and understanding the themes and perspectives of the authors. Participants engaged in interactive discussions and activities to enhance their book review skills.

GOONJ 2025

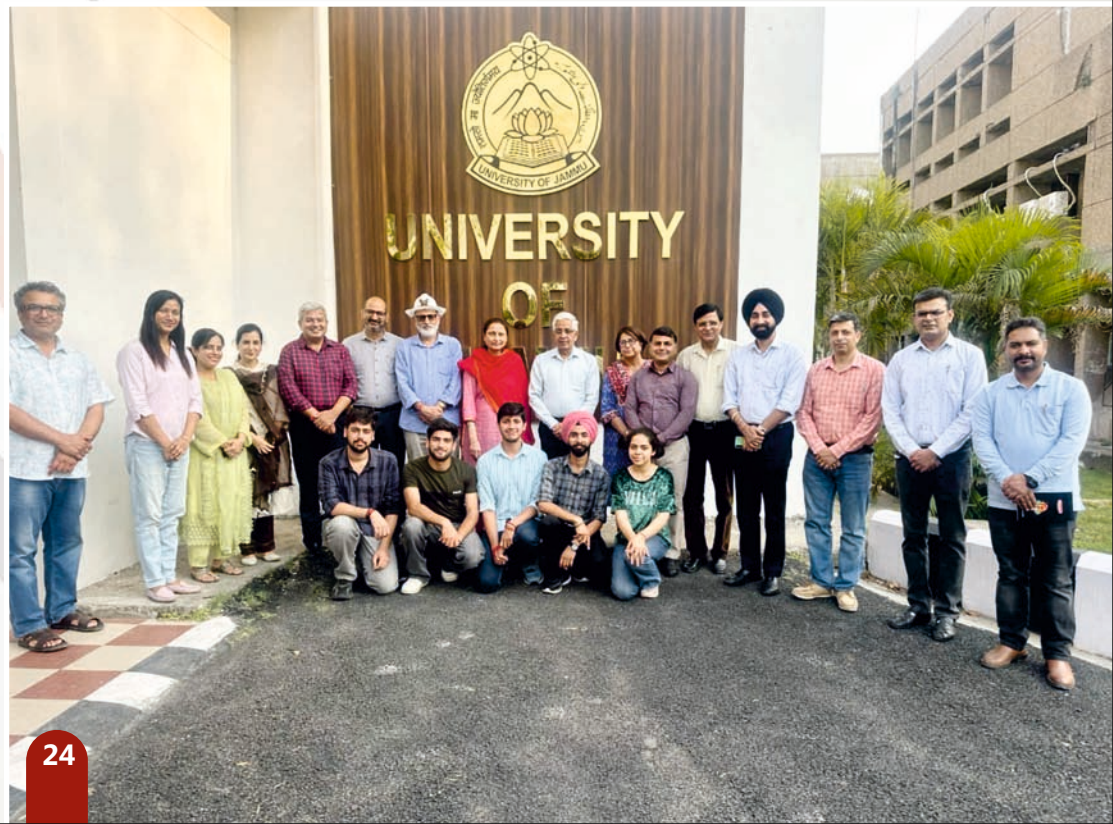

Four Year Undergraduate Programme in Design Your Degree showcased its academic programs, research initiatives, and innovative contributions in the GOONJ 2025 through the Stall. The stall aimed to highlight the programmes commitment to nurturing future entrepreneurs, researchers, and industry leaders through specialized education, cutting-edge research with its focus on change of Pedagogy and following the guidelines of NEP 2020.

SHODH SAHAYAK : A MOBILE APP

The University of Jammu has launched 'Shodh Sahayak,' a mobile app designed to streamline research funding access for faculty members. Developed by students from the "Design Your Degree" initiative, the app provides a single platform for accessing funding opportunities, grants, and fellowships. The app features a personalized dashboard, real-time updates, and plans for an AI-powered chatbot. Vice Chancellor Prof. Umesh Rai praised the initiative, highlighting its potential to enhance research capabilities and foster academic excellence.

Design Your Degree Program in the Media

LG Manoj Sinha alongwith other members of Jammu University posing for a group photograph on Monday.

LG lays foundation stone for Innovation Tower at University of Jammu

Excelsior Correspondent

JAMMU, Jan 29: Lieutenant Governor Manoj Sinha laid the foundation stone for the Innovation Tower at University of Jammu. The facility will be completed in two phases under the Capex budget of 2023-24.

He said the cutting-edge facility will serve as a Central Hub for transformational Innovation, Incubation, Skill Development and Entrepreneurship in the Union Territory.

The One-of-a-kind facility will house Atal Innovation Centre & Data Analytical Centre, Skill Development & Career Progression Centre and Innovation Council. It will have a dedicated space for Innovative Undergraduate Program "Design Your Degree" and provide a collaborative space for startups, the Lt Governor observed.

*** Watch video on www.excelsiornews.com**

The Innovation Tower will provide space for ideation and collaboration. It will encourage youth to discuss new concepts and utilise the testing facility for future projects to reduce the duration of the incubation period, he added.

The Lt Governor directed the planning team to ensure space is flexible with in-built capability and multiple spaces for future technology. He further emphasized on creating a space for intellectual collision and experience sharing by students and mentors.

Presently, the building is approved for construction with G+3 floors in Phase-I. There is a provision to raise the structure to G+7 floors in Phase-II.

Alok Kumar, Principal Secretary, Higher Education Department; Prof. Umesh Rai, Vice Chancellor Jammu University; senior officials, faculty members and students of the University were present.

Former VC DU attends induction session of 'Design Your Degree' Program at JU

STATE TIMES NEWS

JAMMU: Jammu University's "Design Your Degree" induction program was marked by the presence of distinguished academics and inspiring speeches.

Prof. Dinesh Singh, former Vice-Chancellor of the University of Delhi and current Vice-Chairman of the J&K Higher Education Council set the stage and left an indelible mark on the proceedings, his talk revolved around the program's core principle of openness. He emphasized that within this innovative academic journey, traditional reliance on textbooks is unnecessary.

Instead, the focus should be on engaging in mind-opening conversations and pursuing intellectual growth through experiential learning. His words resonated deeply with the students, encouraging them to embrace the boundless possibilities of the program, he told.

Former VC DU, Prof. Dinesh Singh posing with faculty members and students of JU.

To ignite intellectual curiosity, Prof. Singh urged students to seek answers within themselves and avoid shortcuts in life. His inspiring message underscored the importance of self-driven learning and constant expansion of horizons. Prof. Singh also stressed the practical aspects of personal and professional development, emphasizing the significance of strong communication skills in the ever-evolving global landscape.

Prof. Dinesh Singh's talk instilled a profound sense of curiosity and self-discovery among the students, setting the tone for their educational journey within the "Design Your Degree" program. As they embark on this transformative path, they carry with them the inspiration to explore, learn, and adapt, guided by the wisdom of a distinguished educator and visionary.

Prof Umesh Rai, Vice-Chancellor of Jammu University, talked about this new course and shared information about the facilities and infrastructure provided to the students at the university.

Prof. Alka Sharma, Director of SIIEDC, extended a formal welcome address. Earlier, Prof. Shobha Bagai, Director of Cluster Innovation Center at the University of Delhi, and the enthusiastic participants of the "Design Your Degree" program. Dr. Shallu Sehgal delivered vote of thanks.

The inaugural session was graced by Prof. Alka Sharma, the Director SIIETC at JU. Prof Sharma extended a warm welcome to the incoming students and faculty members from various disciplines, forming the core team behind the "Design Your Degree" program.

In a spirit of unity and camaraderie, the new batch of students took the stage to introduce themselves, symbolizing the commencement of a shared academic odyssey. As an integral part of their induction, students embarked on an immersive campus tour, visiting various departments, including the Dhanvantari Library (a treasure trove of academic resources), the versatile Zorawar Singh Auditorium, the Rajinder Singh Auditorium, the museum, the Gymnasium and the canteens.

Four-day workshop on '3D Printing and Its Applications' concludes at JU

STATE TIMES NEWS

JAMMU: A four-day workshop focused on "3D Printing and Its Applications," organized under the Skill Incubation Innovation Entrepreneurship Development Centre (SIIEDC) initiative concluded at the University of Jammu (JU) on Thursday.

The workshop was organised for the students enrolled in the innovative Design Your Degree (DYD) program from April 29 to May 2, 2024.

The students were immersed in an intensive exploration of 3D printing technology and its diverse applications.

Led by Director, SIIEDC, Prof. Alka Sharma, and coordinated by Dr. Sandeep Arya, Assistant Professor, Department of Physics, the workshop featured twelve meticulously crafted modules aimed at providing students with hands-on experience and fostering interactive discussions.

Distinguished faculty members including Prof. K.S. Charak, Prof. Dipankar Sen Gupta, Prof. Sadaf Shah, Dr. Pallavi Sachdeva, and Dr. Chinmoyee Maharana actively engaged with the participants.

The highlight of the workshop was the invaluable contribution of Er. T.N. Siva Chary, an Associate Technical Engineer from Mekuva Technologies, Hyderabad, who served as the resource person.

Er. Chary shared deep insights into various 3D printing technologies and their practical applications.

शिक्षा नीति का हिस्सा बन उभर रहा हिंदी रंगमंच

जागरण संवाददाता, जम्मू : रंगमंच के बढ़ते महत्व के बीच हिंदी रंगमंच मजबूती के साथ उभरा है। नई राष्ट्रीय शिक्षा नीति में भी कला को विशेष महत्व दिया गया है, जिसके चलते रंगमंच शिक्षा का हिस्सा बनता जा रहा है। शायद ही में जम्मू विश्वविद्यालय ने पहला प्रयास करते हुए डिजाइन योर डिग्री के विद्यार्थियों से प्रोजेक्ट के तहत रंगमंच करने के लिए कहा गया। इसके तहत सुमीत शर्मा के निर्देशन में नाटक कबीरा का मंचन किया गया। नाटक में भाग लेने वाले विद्यार्थियों को याकागदा इस प्रोजेक्ट के अंक दिए गए। मंचन करने वाले विद्यार्थी इस कदर प्रभावित दिखे कि वह आगे भी रंगमंच से जुड़े रहना चाहते हैं। हिंदी रंगमंच के प्रोत्साहन के लिए जम्मू-कश्मीर कला, संस्कृति एवं भाषा अकादमी की ओर से भी लगातार प्रयास होते रहते हैं। हर वर्ष होने वाले अकादमी के वार्षिक नाट्योत्सव में अधिकतर नाटक हिंदी के होते हैं और दर्शकों की संख्या भी दूसरी भाषाओं के मुकाबले अधिक रहती है। स्कूलों-कालेजों में भी आज रंगमंच को विशेष महत्व मिलने लगा है। खासकर नई राष्ट्रीय शिक्षा नीति के बाद अध्यापक भी स्कूलों-कालेजों में

हिंदी रंगमंच दिवस

- जम्मू विवि डिजाइन योर डिग्री के तहत भी कर रहा प्रोत्साहित
- हिंदी रंगमंच को बढ़ावा देने लिए कला अकादमी भी प्रयासरत

कई वजह भी हैं सक्रिय

जब से विभिन्न गतिविधियों के आयोजन के चलन बने हैं, रंगमंच की गतिविधियों को बढ़ावा मिला है। डिग्रले योर टेलेंट के अलावा ट्रेनिंग आउटरीच प्रोग्राम के तहत भी रंगमंच की गतिविधियां होती रहती हैं। जम्मू-कश्मीर कला संस्कृति एवं भाषा अकादमी के अतिरिक्त सचिव संजीव राणा के अनुसार अकादमी अब रंगमंच को बढ़ावा देने के लिए दूरदराज क्षेत्रों में अपने कार्यक्रम बढ़ाएगी। कलाकारों को पहले के मुकाबले अधिक मौके मिलने से भी रंगमंच को बढ़ावा मिला है।

हिंदी नाटक करना पसंद करते हैं प्रतिभागी : सुमीत शर्मा

जम्मू विवि के सीनियर ड्रामा प्रशिक्षक बिस्मिल्लाह खान निर्देशक अवार्ड से सम्मानित सुमीत शर्मा ने कहा, जम्मू विवि में रंगमंच चलता ही रहता है। डिग्रले योर टेलेंट में मंचित नाटकों में प्रतिभागी हिंदी नाटक करना पसंद करते हैं। वहीं, स्कूलों-कालेजों के वार्षिक दिवस या किसी विशेष दिवस पर भी हिंदी नाटकों को बोलबाला रहता है।

सुमीत शर्मा, ड्रामा प्रशिक्षक, जम्मू विवि।

हिंदी में काम को प्राथमिकता देते हैं कलाकार : डा. सुधीर

कला अकादमी के वरिष्ठ ड्रामा प्रशिक्षक डा. सुधीर महाजन का कहना है कि अकादमी वार्षिक नाट्योत्सव करती है, जिसमें सबसे ज्यादा हिंदी के ही होते हैं। कलाकार को प्राथमिकता देते हैं। हिंदी को दिनोंदिन बढ़ावा मिल रहा है।

Dr. Saloni Mahajan extended a formal vote of thanks.

Certificate Course in Theatre inaugurated at JU

STATE TIMES NEWS

JAMMU: Skill Innovation Incubation & Entrepreneurship Development Centre (SIIEDC) at the University of Jammu (JU) launched a new Certificate Course in Theatre (Basic) in collaboration with the Department of Students Welfare, aiming to nurture students' creative and aesthetic abilities.

Prof. Alka Sharma, Director of SIIEDC and others faculty posing with participants.

The course, inaugurated on Tuesday in the presence of distinguished personalities including Prof. Alka Sharma, Director of SIIEDC, Prof. Prakash Antahal, Dean Students Welfare, Prof. Monika Chadha, Chairperson Campus Cultural Committee, Dr. Ankit Mahajan, and Sumeet Sharma, is designed to acquaint students with the profound benefits of theatre for holistic personality development.

Prof. Alka Sharma highlighted that the Certificate Course in Theatre will deepen students' understanding of artistic forms and harness theatre's transformative impact on physical, mental, and spiritual dimensions.

Emphasizing theatre's role as a potent tool for enhancing soft skills crucial for academic success, she underscored its potential to refine communication, confidence, and creativity.

Prof. Prakash Antahal articulated the course's objective of familiarizing students with various aspects of theatre, offering insights into its diverse genres through a blend of practical and theoretical sessions.

He emphasized the course's focus on fostering skills such as teamwork, spontaneity, and self-exploration, crucial for personal growth and professional development.

He acknowledged the guidance of Prof. Umesh Rai, Vice Chancellor of the University, for facilitating innovative educational initiatives.

Prof. Monika Chadha encouraged participants to seize the opportunity to enrich themselves through punctuality and dedication.

She stressed the pivotal role of arts and culture in expanding imagination and fostering social consciousness and empathy.

The course was conceptualized under the guidance of Prof. Garima Gupta, Coordinator of Skill Development and Career Planning Vertical.

Sumeet Sharma, a seasoned Drama Instructor at the Department of Students Welfare, JU, will lead the course, leveraging his extensive theatrical expertise to enrich participants' learning experience.

The involvement of visiting faculty and experts in related fields promises to further enhance the course's impact.

Among the enthusiastic participants are Arjun Pratap Singh, Avni Sharma, Riya Jandial, Mahi Gupta, Rishiv Prabhakar, Malvika Kalra, Kartik Kumar, Sumakshi Pandita, Medha Gupta, Dyutima Kesari, Sohana Gorka, Subani Kaur, Kakun Mahajan, and Kananpreet Kaur.

Interested individuals can still join the programme until 5th July by registering at the Department of Students Welfare, JU, ensuring they benefit from this enriching educational opportunity.

21-day Medical Laboratory Techniques Training Course concludes at JU

STATE TIMES NEWS

JAMMU: The 21-day intensive training course on "Medical Laboratory Techniques," organized by the Skill Innovation Incubation Entrepreneurship Development Centre (SIIEDC) in collaboration with the School of Biotechnology and Health Centre at the University of Jammu (JU), concluded here on Friday with a grand valedictory function and certificate distribution ceremony at the seminar hall of the School of Biotechnology.

JU faculty and students on the conclusion of training course.

Prof Naresh Padha was the Chief Guest on the occasion. Prof. Alka Sharma, Director SIIEDC, Prof. Sanjana Koul, Director School of Biotechnology, Dr. Garima Gupta, Coordinator Skill Development and Career planning, Dr. Bharat Bhushan CMO Health Centre, Dr. Ankit Mahajan, Course Coordinator and Dr. Saloni Mahajan, Course Co-Coordinator besides faculty and students were present on the occasion.

Prof Naresh Padha commended SIIEDC for organizing such valuable programs and encouraged the continuation of such initiatives in the future. He extended his congratulations to all involved and urged them to persist in offering similar courses.

He said, "There is an urgent need to incorporate skill courses in the curriculum as given in the new National Education Policy and the University of Jammu is committed to make the University a hub of skill courses for contemporary elements and better employability of the students."

Prof Alka Sharma, Director SIIEDC shared the measures which SSIEDC is taking in order to bring more skill courses to the students.

She elaborated on SIIEDC's mandate and its efforts in developing skill development, innovation, incubation, and entrepreneurship.

Earlier, the valedictory function commenced with opening remarks by Dr. Ankit Mahajan, who briefed the audience about the course's relevance, schedule, and techniques.

He shared that The course was divided in 2 categories, first one in which students were trained in the DNA diagnostics techniques including DNA extraction from blood, Qualitative and quantitative analysis of DNA, Amplification of Human gene, PCR primers designing using UCSC genome browser, Genotyping using RT PCR, Expression studies using RT PCR, Sanger Sequencing of DNA. The 2nd part included biochemical and haematological diagnostic techniques in which they were taught how to work on a semi-automated analyser to carry out tests like Lipid profile, Renal Function tests, Liver Function tests, Hb determination, TLC and DLC determination.

Dr Garima Gupta presented welcome address, highlighting the significance of skill education and SIIEDC's role in promoting it. She talked about the various courses that are being offered by the skill vertical and that the students should enroll in an order to increase the confidence.

Dr Saloni Mahajan extended a formal vote of thanks, expressing gratitude to all participants, organizers, and supporters for their contributions to the success of the training course.

Four-day workshop on '3D Printing and Its Applications' concludes at JU

STATE TIMES NEWS

JAMMU: A four-day workshop focused on "3D Printing and Its Applications," organized under the Skill Incubation Innovation Entrepreneurship Development Centre (SIIEDC) initiative concluded at the University of Jammu (JU) on Thursday.

The workshop was organised for the students enrolled in the innovative Design Your Degree (DYD) program from April 29 to May 2, 2024.

The students were immersed in an intensive exploration of 3D printing technology and its diverse applications.

Led by Director, SIIEDC, Prof. Alka Sharma, and coordinated by Dr. Sandeep Arya, Assistant Professor, Department of Physics, the workshop featured twelve meticulously crafted modules aimed at providing students with hands-on experience and fostering interactive discussions.

Distinguished faculty members including Prof. K.S. Charak, Prof. Dipankar Sen Gupta, Prof. Sadaf Shah, Dr. Pallavi Sachdeva, and Dr. Chinmoyee Maharana actively engaged with the participants.

The highlight of the workshop was the invaluable contribution of Er. T.N. Siva Chary, an Associate Technical Engineer from Mekuva Technologies, Hyderabad, who served as the resource person.

Er. Chary shared deep insights into various 3D printing technologies and their practical applications.

VC HEC exhorts students of UG DYD Program to harness advanced IT tools for practical learning experience

VC JU stresses on collaborative real world projects

STATE TIMES NEWS

JAMMU: Advocating hands-on experiential learning experience, Vice Chairman, Higher Education Council, (VC HEC) Jammu and Kashmir Union Territory Padma Shri Prof. Dinesh Singh on Thursday urged the students to harness advanced Information Technology tools for immersive practical learning experiences.

VC HEC J&K UT Prof. Dinesh Singh interacting with the students and mentors at JU.

Leading a dynamic interaction session with the students and mentors under innovative four-year Undergraduate Design Your Degree (DYD) programme, the Vice Chairman stressed on the importance of designing algorithms tailored to tackle societal challenges, thereby nurturing a culture of innovation and problem-solving among the youth.

Joining the dialogue, Prof. Umesh Rai, Vice Chancellor, University of Jammu, actively engaged with students and mentors from various institutions and stressed on collaborative real-world projects.

Prof. Rai emphasized the transformative power of teamwork in effecting meaningful change.

The interaction held at the Brig. Rajinder Singh Auditorium, University of Jammu, witnessed enthusiastic participation of students and mentors representing Shri Mata Vaishno Devi University, Govt College for Women (GCW) Gandhi Nagar, Govt College for Women (GCW) Parade, and the University of Jammu.

The interaction session was further enriched by the presence and contributions of distinguished personalities in academia, including Prof. B.N. Tripathi, Vice Chancellor SKUAST, Jammu, Prof. Naresh Padha, and Prof. K.S. Charak. They underscored the collective commitment towards fostering educational excellence and innovation in the region.

This interactive session provided students and mentors with an opportunity to discover creative educational methods, fostering a collaborative atmosphere geared towards cultivating the future generation of leaders and innovators. Students were inspired to embrace interdisciplinary learning and apply their expertise in practical settings, leading them toward academic and professional success.

Prof. Sadaf Shah, Associate Director SIIEDC, University of Jammu, skillfully facilitated the proceedings, ensuring a vibrant exchange of ideas and insights throughout the session.

Dr. Guneet Sudan, OSD to Vice Chairman, Higher Education Council, JKUT, coordinated the interactive session.

JU launches 3-day induction program for Second Batch of four year UG 'Design-Your-Degree' Program

STATE TIMES NEWS

JAMMU: The three-day Induction Program for the second batch of its innovative Four-Year Undergraduate program, "Design-Your-Degree" was inaugurated at JU on Monday. Distinguished academicians graced the occasion and set the stage for a transformative educational journey for the new students.

Vice-Chairman J&K Hr Edu Council, Prof. Dinesh Singh along with others at JU.

Prof. Dinesh Singh, a renowned academician and former Vice-Chancellor of Delhi University, currently serving as the Vice-Chairman of the Jammu and Kashmir Higher Education Council, was the Chief Guest.

Citing a profound quote from the Samveda, "We have to light the lamp of knowledge," Prof. Singh stressed the need for open-mindedness in education, advocating for moving beyond traditional textbooks to embrace practical, hands-on learning experiences.

Prof. Singh emphasized the importance of experiential learning. He urged students to go beyond conventional textbook education and become self-motivated learners. Prof. Singh also encouraged the students to explore the extensive possibilities offered by the "Design-Your-Degree" program.

Referring to the teachings of influential Indian philosophers like Sri Aurobindo Ghosh and Vinoba Bhave, Prof. Umesh Rai, the Vice-Chancellor, University of Jammu, emphasized the value of hands-on learning and active engagement for effective knowledge acquisition.

He encouraged the students to seize this opportunity to explore various disciplines, collaborate across different fields, and develop a comprehensive understanding that will equip them to navigate the complexities of the real world.

In his address, Prof. Rai emphasized the university's commitment to cultivating a vibrant and inclusive learning atmosphere that encourages both creativity and critical thinking.

Prof. Alka Sharma, Director, Skill Incubation Innovation Entrepreneurial Development Centre (SIIEDC), JU spoke about the unique opportunities offered by the "Design-Your-Degree" program, which allows students to curate their own curriculum and engage in experiential learning.

She assured the students of the university's support in guiding them through their academic and professional pursuits, providing an environment where they can thrive both personally and academically.

Prof. Shobha Bagai, Director of the Cluster Innovation Centre, Delhi University, underscored the importance of interdisciplinary thinking, a core component of their educational experience.

Prof. Bagai engaged the students in various activities designed to enhance their listening skills, concentration, and reasoning.

The vote of thanks was delivered by Dr. Shallu Sehgal, Department of Economics, JU. Prof. K.S. Charak, Prof. Anil Gupta, Prof. Sandeep Singh, Dr. Jatinder Manhas, Dr. Sandeep Arya, Dr. Sunil Kumar, Dr. Pallavi Sachdev, and Dr. Chinmoyee Maharana were among the others who were present during the induction programme.

The program was conducted by Prof. Sadaf Shah, Associate Director, SIIEDC.

Book Review workshop "Booked & Hooked" engages students at JU

STATE TIMES NEWS

JAMMU: A one-day workshop titled "Booked & Hooked" was organized by the Skill, Innovation, Incubation, Entrepreneurship & Development Centre (SIIEDC) in collaboration with the Literary Club, University of Jammu at the Open-Air-Theatre (Amphitheatre) on campus. The workshop attracted enthusiastic participation from students and faculty, fostering a culture of literary exploration and peer learning.

Students with faculty members during workshop "Booked & Hooked" at JU.

The event commenced with a welcome address by Prof. Alka Sharma, Director of SIIEDC, who greeted dignitaries, faculty, and students. In her remarks, Prof. Sharma emphasized the importance of such workshops in enhancing critical thinking and promoting literary appreciation among students. She encouraged participants to make the most of the opportunity to refine their analytical skills through book reviews.

The workshop's key feature was its student-led approach. Students from the "Design Your Degree" program conducted interactive sessions, guiding their peers through the process of writing and presenting book reviews.

This peer-to-peer learning model not only created a collaborative environment but also empowered students to take charge of their own learning. Throughout the day, participants reviewed and discussed a variety of books, offering diverse insights and reflections. The sessions fostered a culture of dialogue and intellectual exchange, with students learning from each other's interpretations and critiques.

The event concluded with a vote of thanks by Prof. Sadaf Shah, Coordinator of the Literary Club. Prof. Shah expressed gratitude to the dignitaries, teachers, participants, and facilitators for their efforts in making the event a success. She also emphasized the need for continued engagement in literary activities on campus.

The workshop was a resounding success, leaving participants inspired and eager to explore more opportunities for literary engagement.
