Vice-Chancellor's Secretariat,
University of Jammu, Jammu
No. 1482-83
Dated 30/09/2026

Respected All,

Greetings from the Tinkering Lab and Protospace, I2EDC, IIT Jammu!

We are pleased to invite students from your institution to participate in Make-a-Thon'26 (Energy Hackathon 2026), an on-site prototyping challenge organised by Tinkering Lab & Protospace under I2EDC, IIT Jammu.

PROBLEM STATEMENT: Disaster Management & Early Warning Systems

Teams will build a low-cost, field-deployable early-warning prototype that combines ground sensors with weather, topography, and satellite data to detect an emerging hazard (such as a flash flood, landslide, or waterlogging) and issue timely on-site and remote alerts. Prototypes will be installed outdoors and tested live on judging day with a simulated event.

The detailed problem statement, including requirements, evaluation criteria and deliverables, is attached to this email.

WHAT WE OFFER

- ₹30,000 component support for each shortlisted team to build their prototype
- Pre-incubation grant of ₹3,00,000 for the winning team to take their solution towards commercialisation
- Prize pool worth ₹45,000
- Access to prototyping infrastructure at Protospace
- Mentorship from IIT Jammu faculty and lab teams
- Meals, participant goodies and certificates for all participants

HOW TO PARTICIPATE

1. Form a team of up to 5 members (students from any discipline/year are welcome).
2. Prepare the following:
    - A PPT (max 8 slides) covering your approach, system architecture/block diagram, sensors and data sources, detection and alert logic, and team details
    - A Bill of Materials (BOM) listing all components required, with quantity, specifications and estimated cost (within ₹30,000)
3. Submit both the PPT and BOM here by **2nd October 2026, 11:59 PM**: Registration Link

Shortlisted teams will be informed along with the reporting time and further instructions.

KEY DATES

- PPT & BOM(Bill of Materials) Submission Deadline: 30 September 2026

- Prototype Assembly & Outdoor Installation: End of October 2026
- Live Demonstration, Judging & Prize Distribution: End of October 2026
- Venue: IIT Jammu
