**University of Jammu**
**Four-Year Innovative Undergraduate Program**
**(Design Your Degree)**
**Bachelor in Business Administration**
**Semester VII**
**(For the session 2026, 2027 and 2028)**

**Course Code: UMJDBT-711** | **Course Title: Strategic Management**
**Credits: 04** | **Maximum Marks:100**
**Contact Hours: 60** | **Internal Evaluation: 40**
**External Evaluation: 60**

**OBJECTIVE:**
The course aims to provide understanding of strategic management concepts, frameworks, and practices required for effective decision-making in organizations with special emphasis on business development, tourism, entrepreneurship, sustainability, and regional competitiveness in Jammu & Kashmir.

**COURSE OUTCOME**
- To understand strategic management concepts and strategic decision-making processes in organizations with reference to regional economic development.
- To apply strategic analysis tools for evaluating internal and external business environments in Jammu & Kashmir.
- To develop competencies in strategy formulation, implementation, and evaluation using digital and analytical approaches.
- To familiarize learners with AI-driven, sustainable, tourism-oriented, and entrepreneurship-based strategic practices in contemporary organizations.

**COURSE CONTENT**
**Module I: Introduction to Strategic Management and Regional Business Environment**
Meaning, Nature and Scope of Strategic Management; Strategic Management Process; Vision, Mission, Goals and Objectives; Levels of Strategy – Corporate, Business and Functional
Environmental Analysis – Internal and External Environment; SWOT Analysis; PESTLE Analysis; Porter's Five Forces Model; Competitive Intelligence and Business Analytics
Business Environment of Jammu & Kashmir – Tourism Economy, Handicrafts and Handloom Sector, Horticulture Industry, Agriculture and Allied Sectors, Startup Ecosystem, MSMEs and Service Sector Growth
Role of digital transformation, AI, e-commerce and government initiatives in regional business development
**Activities:**
**Activity 1: Strategy in Action – Company Analysis**
Students select one Indian company such as Tata, Reliance, Amul, Infosys, Zomato, Nykaa or Asian Paints and analyse its external and internal environment using appropriate strategic frameworks.
**Activity 2: Regional Strategy Snapshot**
Students select one enterprise from Jammu & Kashmir and identify its major strategic challenges and opportunities.

**Module II: Strategy Formulation and Competitive Strategies**

**University of Jammu**
**Four-Year Innovative Undergraduate Program**
**(Design Your Degree)**
**Bachelor in Business Administration**
**Semester VII**
**(For the session 2026, 2027 and 2028)**

**Course Code: UMJDBT-711** **Course Title: Strategic Management**
**Credits: 04** **Maximum Marks:100**
**Contact Hours: 60** **Internal Evaluation: 40**
**External Evaluation: 60**

Strategic Alternatives and Choice; Corporate Level Strategies – Stability, Expansion, Retrenchment and Combination Strategies; Porter's Generic Competitive Strategies
Growth Strategies – Diversification, Mergers and Acquisitions, Joint Ventures and Strategic Alliances; Innovation and Entrepreneurship Strategies; Blue Ocean Strategy
Resource Based View (RBV); Core Competencies and Value Chain Analysis; Competitive advantage in tourism, handicrafts, horticulture and hospitality sectors of Jammu & Kashmir
Strategies for startups, family businesses, cooperatives and rural enterprises; Sustainable and inclusive growth strategies in regional economies

**Activities:**

**Activity 1: Strategy Comparison**
Compare the competitive strategies of two competing Indian companies, for example:
Zomato vs Swiggy
Flipkart vs Amazon
Airtel vs Jio

**Activity 2: Blue Ocean Challenge**
Students identify an existing business problem and design a new business opportunity using the Blue Ocean Strategy Canvas.

**Activity 3: Regional-to-National Strategy**
Select a Jammu & Kashmir-based product/business and develop a strategy for expanding from the regional market to selected Indian markets.

**Module III: Strategy Implementation and Functional Strategies**
Strategy Implementation Process; Strategic Leadership; Organizational Structure and Strategic Control; Strategic Change Management; Organizational Culture and Strategy
Functional Strategies – Marketing, Finance, HR and Operations Strategies; Strategic Resource Allocation; Balanced Scorecard and KPI-based performance management
Digital strategy implementation; ERP and Business Intelligence Systems; AI-enabled strategic execution; E-commerce strategies for handicrafts, tourism and local businesses in Jammu & Kashmir
CSR, ethics, sustainability and community-oriented business strategies

**Activities:**

**Activity 1: Strategic Implementation Case**
Analyse a real business case where a company succeeded or failed because of strategy implementation.

**Activity 2: Balanced Scorecard Workshop**
Develop a Balanced Scorecard for a selected organization.

**Activity 3: AI Strategy Exercise**

**University of Jammu**
**Four-Year Innovative Undergraduate Program**
**(Design Your Degree)**
**Bachelor in Business Administration**
**Semester VII**
**(For the session 2026, 2027 and 2028)**

**Course Code: UMJDBT-711** **Course Title: Strategic Management**
**Credits: 04** **Maximum Marks:100**
**Contact Hours: 60** **Internal Evaluation: 40**
**External Evaluation: 60**

Students identify three areas in an organization where AI can improve strategic decision-making and assess associated opportunities and risks.

**Module IV: Strategic Evaluation, Emerging Trends and Global Strategies**

Strategic Evaluation and Control; Strategic Audit; Benchmarking; Crisis and Turnaround Management

Global Strategic Management – Internationalization, Export Strategies, Cross-cultural Management and Global Market Entry

Emerging Trends – Digital Ecosystems, Platform-based Businesses, AI-driven Competitive Strategies, Green Business Models, Circular Economy and Sustainable Tourism Strategies

Strategic challenges and opportunities in Jammu & Kashmir – seasonality in tourism, infrastructure limitations, ecological sustainability, branding of regional products, GI tagging, export potential and entrepreneurship development

**Activities:**

**Activity 1: Strategic Audit**

Conduct a strategic audit of a selected company using appropriate frameworks.

**Activity 2: Global Expansion Challenge**

Develop an internationalisation strategy for an Indian company entering a foreign market.

**Activity 3: Sustainability Strategy Lab**

Develop a sustainability strategy for a business such as a hotel, manufacturing company, retailer or tourism enterprise.

**Suggestive Project Work and Assignments:**

- Strategic audit of an Indian company.
- Strategic analysis of a Jammu & Kashmir-based enterprise.
- Regional-to-national expansion strategy for a local product.
- Competitive strategy analysis of two competing companies.
- Strategic plan for a startup.
- Digital transformation strategy for a traditional business.
- AI adoption strategy for an organization.
- Sustainable business strategy for a tourism/hospitality enterprise.

# Guidelines for Assessment and Evaluation
# For
# Semesters V - VIII of FYUGP (DYD)

## 1 Assessment and Evaluation Model

Features of this Model of Assessment and Evaluation are:

- Domain knowledge: Tested through class tests and end-sem examination.
- Creativity: Assignments, seminars, open-ended examination questions.
- Hands-on experience: Practical tasks and project work to build real-world problem-solving skills.

Following scheme of assessment and evaluation shall be followed for the last two years of FYUGP (DYD):

### 1.1 Continuous Internal Assessment (CIA) - 40 Marks

This ensures sustained engagement and assessment beyond the final exam. CIA shall have the following components:

- Class Tests and Quizzes (10 Marks): This shall focus on concepts clarity, analytical ability comprising 2 or 3 short written or online tests.
- Assignments and Creative Tasks (10 Marks): This shall be focussed on Problem-solving or reflective assignments and Open-ended questions to assess creativity.
- Practical and Hands-on Activities (15 Marks): This shall have the activities like field tasks, workshops, case study, role plays etc.
- Seminar and Presentation (5 Marks): This shall have individual or group presentation to be evaluated for communication, originality, creativity, and depth.

### 1.2 End-Semester Examination - 60 Marks

This is designed to test comprehensive domain knowledge and applications. The question paper shall have three sections:

- Section A - 20 Marks: Short answer questions to test fundamentals and breadth of domain knowledge.
- Section B - 20 Marks: Problem-solving and applications of the domain knowledge. The problems need to be conceptual numerical and case-based related to real world applications.

**University of Jammu**
**Four-Year Innovative Undergraduate Program**
**(Design Your Degree)**
**Bachelor in Business Administration**
**Semester VII**
**(For the session 2026, 2027 and 2028)**

**Course Code: UMJDBT-711** **Course Title: Strategic Management**
**Credits: 04** **Maximum Marks:100**
**Contact Hours: 60** **Internal Evaluation: 40**
**External Evaluation: 60**

- Section C - 20 Marks: This is to be devoted to essay/analytical questions (choice-based) and have to be Open-ended, requiring synthesis, critical thinking, and creativity.

**University of Jammu**
**Four-Year Innovative Undergraduate Program**
**(Design Your Degree)**
**Semester VII**
**(For the session 2026, 2027 and 2028)**

**Course Code: UMJDBT-712**

**Credits: 04**
**Contact Hours: 60**

**Course Title: Consumer Behaviour**
**Maximum Marks:100**
**Internal Evaluation: 40**
**External Evaluation: 60**

**Course Description:**

This course introduces students to the systematic study of consumer behaviour and its relevance in marketing decision-making. It examines how psychological, social, cultural, situational and technological factors influence consumer choices before, during and after purchase. It also enables students to understand consumer value, perception, motivation, attitudes, social influence, decision-making, satisfaction, loyalty and ethical issues.

**Course Objectives:**

1. To develop an understanding of the scope, dynamic character and strategic relevance of consumer behaviour.
2. To examine the internal psychological factors that influence consumer perception, learning, memory, motivation, personality, lifestyle, emotions and attitudes.
3. To analyse the role of external social, cultural, family, group and digital influences in shaping consumer behaviour.
4. To understand consumer decision-making, post-consumption behaviour, satisfaction, loyalty, complaint behaviour, ethical issues and consumer protection.

**Learning Outcomes:** After the completion of this course, the student will be able to:

1. Explain the nature, scope, consumer value framework and marketing applications of consumer behaviour.
2. Analyse the influence of internal psychological factors on consumer attention, comprehension, brand preference and purchase behaviour.
3. Evaluate the impact of family, reference groups, culture, microcultures, word-of-mouth and social media on consumer decisions.
4. Apply consumer decision-making concepts to assess satisfaction, loyalty, switching behaviour, ethical marketing and consumer welfare.

**University of Jammu**
**Four-Year Innovative Undergraduate Program**
**(Design Your Degree)**
**Semester VII**
**(For the session 2026, 2027 and 2028)**

**Course Code: UMJDBT-712**

**Credits: 04**
**Contact Hours: 60**

**Course Title: Consumer Behaviour**
**Maximum Marks:100**
**Internal Evaluation: 40**
**External Evaluation: 60**

## MODULE I: INTRODUCTION TO CONSUMER BEHAVIOUR AND CONSUMER VALUE

Scope of Consumer Behaviour; Consumer Behaviour as a Dynamic Process; Consumer Value Framework; Consumer Behaviour and Marketing Strategy; Consumer Research and Information Development; Market Segmentation and Product Differentiation.

**Activities:**

**Activity 1: Consumer Value Study in Raghunath Bazaar**

Students will visit Raghunath Bazaar and study product categories such as dry fruits, garments, religious items or handicrafts. They will compare utilitarian value, hedonic value, price perception and service experience by interacting with consumers.

**Activity 2: Market Segmentation Analysis of a Local Business**

Students will select a local business in Jammu such as a bakery, café, clothing store, coaching institute or mobile retailer. They will identify the customer segments targeted by the business based on demographic, geographic, psychographic or behavioural characteristics and suggest additional segment that the business can potentially serve.

## MODULE II: INTERNAL INFLUENCES ON CONSUMER BEHAVIOUR

Consumer Perception and Attention; Consumer Learning, Memory and Knowledge; Motivation, Ability and Opportunity; Emotion and Consumer Behaviour; Personality, Lifestyle and Self-Concept; Attitudes, Attitude Change and Persuasion.

**Activities:**

**Activity 1: Packaging and Perception Audit in Jammu Supermarkets**
Students will visit a supermarket or departmental store in Gandhi Nagar, Channi Himmat or Trikuta Nagar and examine competing brands in one product category. They will analyse how colour, packaging, shelf placement, price display and labelling influence consumer perception.

**Activity 2: Attitude Study on Local Food Products**

Students will survey consumers regarding their attitudes towards local Jammu products such as rajma, kalari, basmati rice, pickles or bakery items. The survey must measure beliefs, feelings and purchase intentions, followed by suitable communication strategy.

**University of Jammu**
**Four-Year Innovative Undergraduate Program**
**(Design Your Degree)**
**Semester VII**
**(For the session 2026, 2027 and 2028)**

**Course Code: UMJDBT-712**

**Credits: 04**
**Contact Hours: 60**

**Course Title: Consumer Behaviour**
**Maximum Marks:100**
**Internal Evaluation: 40**
**External Evaluation: 60**

## MODULE III: EXTERNAL INFLUENCES ON CONSUMER BEHAVIOUR

Group and Interpersonal Influence; Family and Household Decision-Making; Culture and Consumer Behaviour; Microcultures and Demographic Influences; Word-of-Mouth, Opinion Leadership and Social Media.

**Activities:**

**Activity 1: Word-of-Mouth and Social Media Influence Study**

Students will select one Jammu-based café, boutique, coaching centre, salon or restaurant and examine its Google reviews, Instagram page or customer recommendations. They will identify how electronic word-of-mouth affects trust, footfall and purchase intention.

**Activity 2: Family Purchase Decision Mapping**

Students will interview few households in Jammu about one family purchase such as a smartphone, two-wheeler, school admission, restaurant visit or home appliance. They will map the roles of initiator, influencer, decider, buyer and user in each case.

## MODULE IV: CONSUMER DECISION-MAKING, SATISFACTION AND ETHICAL ISSUES

Situational Influences and Shopping Behaviour; Consumer Decision-Making Process; Evaluation of Alternatives and Consumer Choice; Consumption, Satisfaction and Post-Consumption Reactions; Consumer Relationships, Loyalty and Switching Behaviour; Consumer Misbehaviour, Ethics and Consumer Protection.

**Activities:**

**Activity 1: Store Atmospherics and Impulse Buying Study**
Students will observe retail outlets in Jammu, such as supermarkets in Gandhi Nagar and shops in Old City. They will record how layout, lighting, product display, crowding, sales staff and discount boards influence impulse or unplanned buying.

**Activity 2: Customer Satisfaction and Complaint Analysis**

Students will collect feedback from consumers about a local service provider such as a restaurant, salon, coaching centre, bank branch or mobile-service outlet in Jammu. They will identify satisfaction drivers, common complaints, switching reasons and practical recommendations for customer retention.

**Course Title: HRD Systems & Strategies**
**Maximum Marks:100**
**Internal Evaluation: 40**
**External Evaluation: 60**

## Course Description

This course provides undergraduate Design Your Degree BBA students with a comprehensive understanding of HRD systems, learning and development strategies, performance management, talent development, organizational development and strategic HR interventions. In today's knowledge-driven economy, organizations require skilled, adaptable and future-ready human resources capable of responding to technological disruptions, globalization and changing workplace dynamics, therefore, it integrates Artificial Intelligence (AI), People Analytics, digital learning ecosystems, and emerging workforce practices into HRD processes. Special emphasis has been given to the socio-economic and developmental context of Jammu & Kashmir, including skill development, entrepreneurship, employability enhancement, tourism and service-sector workforce development, youth engagement, startup ecosystems, women empowerment and regional workforce transformation initiatives under NEP 2020 and skill-based higher education reforms.

## Course Objectives

- Develop conceptual and practical understanding of Human Resource Development systems and strategies.
- Examine the role of HRD in organizational effectiveness and capability building.
- Familiarize students with learning, training, performance and talent development systems.
- Integrate AI-enabled HRD tools and People Analytics into workforce development.
- Understand HRD challenges and opportunities in Jammu & Kashmir's emerging economic sectors.
- Promote employability, entrepreneurship, leadership and organizational learning competencies.

## Course Outcomes

On successful completion of this course, students will be able to:

- Explain HRD concepts, systems and strategic frameworks.
- Design and evaluate learning, training and employee development interventions.
- Apply competency mapping, performance development and talent management tools.
- Analyze organizational development and change management initiatives.
- Utilize AI-enabled HRD technologies and workforce analytics.
- Assess HRD practices relevant to the economic, social and employment landscape of Jammu & Kashmir.

**Credits: 04** | **Maximum Marks:100**
**Contact Hours: 60** | **Internal Evaluation: 40**
**External Evaluation: 60**

## Course Description

This course provides an in-depth understanding of the structure, functioning, and significance of financial markets, and the diverse range of financial services offered. It aims to equip students with the knowledge and analytical skills necessary to navigate the complex financial environment. The course covers major financial markets and explores the characteristics and applications of key financial services.

## Course Objectives

1. To enable students to examine the structure, instruments, intermediaries, and recent reforms in the Indian financial system.
2. To develop students' understanding of primary and secondary market operations, stock indices, and regulatory reforms.
3. To familiarize students with major financial services such as merchant banking, hire purchase, leasing, and venture capital.
4. To equip students with the ability to evaluate mutual funds, credit rating services, and credit cards by understanding their types, operations, benefits, and regulations.

## Learning Outcomes: After completion of this course students will be able to

1. explain the components of the Indian financial system, distinguish between money market and capital market.
2. describe the functioning of primary and secondary markets, interpret basic stock market information from NSE and BSE.
3. compare merchant banking, hire purchase, leasing, and venture capital as financial service options, and determine their suitability in selected business situations.
4. analyse mutual fund schemes, credit rating information, and credit card in order to judge their benefits, risks, and practical usefulness.

## Module I: Indian Financial System and Money Market

Financial assets; Financial intermediaries; Financial markets and their classification; Financial instruments; Financial system and economic development; Recent reforms; Money market vs capital market; Money market instruments; Recent developments.

**Activity 1: Financial System Mapping**
Students will prepare a structured chart showing the major components of the Indian financial system.
**Activity 2: Money Market Instrument Comparison**

**University of Jammu**
**Four-Year Innovative Undergraduate Program**
**(Design Your Degree)**
**Bachelor in Business Administration**
**Semester VII**
**(For the session 2026, 2027 and 2028)**

**Course Code: UMJDBT-714** | **Course Title: Financial Markets and Services**

**Credits: 04** | **Maximum Marks:100**
**Contact Hours: 60** | **Internal Evaluation: 40**
**External Evaluation: 60**

Students will compare major money market instruments such as treasury bills, commercial paper, certificates of deposit, call money, and repo instruments. The comparison should be based on issuer, maturity period, risk level, liquidity, expected return, and common users.

**Module II: Primary Market, Secondary Market and Market Regulation**
New issue market operations; Major reforms in the primary market; Buying and selling of stocks in secondary market; Stock indices of NSE and BSE; Recent developments; Role of Securities and Exchange Board of India and prohibition of unfair trade practices; Investors' protection measures and grievance redressal.

**Activity 1: IPO Analysis Exercise**
Students will select one recent IPO and prepare a short analytical note covering the issuing company, issue price, purpose of the issue, subscription status, listing performance, and major risks mentioned in the offer document.

**Activity 2: Stock Market Observation**
Students will observe Sensex and Nifty movements for five working days using NSE/BSE websites, newspapers, or financial news portals.

**Module III: Merchant Banking, Hire Purchase, Leasing and Venture Capital**
Financial services industry classification; Financial innovation; Financial service sector challenges; Merchant banking: Services and SEBI guidelines; Hire purchase agreement; Leasing: Income tax provisions and Lease rental methods; Venture financing in India.

**Activity 1: Hire Purchase versus Leasing Calculation Exercise**
Students will compare hire purchase and leasing for acquiring a vehicle, machine, or equipment. They will examine ownership, instalment burden, tax implications, lease rental calculation, maintenance responsibility, and suitability for the user.

**Activity 2: Venture capital Proposal evaluation**
Students will prepare or analyse a short business idea requiring venture capital funding. They should assess the business model, growth potential, risk factors, funding requirement, expected return, and reasons why a venture capitalist may or may not invest in the proposal.

**Module IV: Mutual Funds, Credit Rating and Credit Cards**
Mutual funds: Types, operations, performance evaluation, and future prospects; Credit rating: Benefits, Agencies in India, SEBI guidelines; Credit cards: Types, parties, benefits, credit card business in India.
**Activity 1: Mutual Fund Performance Evaluation**

**University of Jammu**

|---|---|
| **Course Code: UMJDBT-714** | **Course Title: Financial Markets and Services** |
| **Credits: 04** | **Maximum Marks:100** |
| **Contact Hours: 60** | **Internal Evaluation: 40** |
| | **External Evaluation: 60** |

Students will select one mutual fund scheme and examine its type, NAV, benchmark, expense ratio, risk level, past returns, portfolio composition, and suitability for a beginner, salaried investor, or long-term saver.

**Activity 2: Credit Rating and Credit Card Awareness Task**

Students will collect information on one credit rating agency in India and one credit card product offered by a bank. They will explain the meaning of credit rating, benefits of rating for investors, types of credit cards, major charges, billing cycle, benefits, risks, and safe usage practices.

## Guidelines for Assessment and Evaluation
## For
## Semesters V - VIII of FYUGP (DYD)

### 1 Assessment and Evaluation Model

Features of this Model of Assessment and Evaluation are:

- Domain knowledge: Tested through class tests and end-sem examination.
- Creativity: Assignments, seminars, open-ended examination questions.
- Hands-on experience: Practical tasks and project work to build real-world problem-solving skills.

Following scheme of assessment and evaluation shall be followed for the last two years of FYUGP (DYD):

### 1.1 Continuous Internal Assessment (CIA) - 40 Marks

This ensures sustained engagement and assessment beyond the final exam. CIA shall have the following components:

- Class Tests and Quizzes (10 Marks): This shall focus on concepts clarity, analytical ability comprising 2 or 3 short written or online tests.
- Assignments and Creative Tasks (10 Marks): This shall be focussed on Problem-solving or reflective assignments and Open-ended questions to assess creativity.
- Practical and Hands-on Activities (15 Marks): This shall have the activities like Lab work, field tasks, coding assignments, design exercises, case study etc.
- Seminar and Presentation (5 Marks): This shall have individual or group presentation to be evaluated for communication, originality, creativity, and depth.

**University of Jammu**
**Four-Year Innovative Undergraduate Program**
**(Design Your Degree)**
**Bachelor in Business Administration**
**Semester VII**
**(For the session 2026, 2027 and 2028)**

**Course Code: UMJDBT-714** | **Course Title: Financial Markets and Services**

**Credits: 04** | **Maximum Marks:100**
**Contact Hours: 60** | **Internal Evaluation: 40**
**External Evaluation: 60**

**1.2 End-Semester Examination - 60 Marks**

This is designed to test comprehensive domain knowledge and applications. The question paper shall have three sections:

- Section A - 20 Marks: Short answer questions to test fundamentals and breadth of domain knowledge.
- Section B - 20 Marks: Problem-solving and applications of the domain knowledge. The problems need to be conceptual numerical and case-based related to real world applications.
- Section C - 20 Marks: This is to be devoted to essay/analytical questions (choice-based) and have to be Open-ended, requiring synthesis, critical thinking, and creativity.

**Credits: 04**
**Contact Hours: 60**

**Maximum Marks:100**
**Internal Evaluation: 40**
**External Evaluation: 60**

## COURSE DESCRIPTION:

The course provides knowledge of logistics, transportation, warehousing, inventory management, procurement, and supply chain integration with special reference to horticulture, handicrafts, tourism, retailing, and export-oriented sectors in Jammu & Kashmir.

## COURSE OUTCOME

- To understand the concepts, components, and strategic importance of logistics and supply chain management with reference to Jammu & Kashmir.
- To apply logistics and supply chain tools for transportation, warehousing, inventory, and distribution management in regional business sectors.
- To develop competencies in AI-enabled, digital, and technology-driven logistics systems.
- To familiarize learners with supply chain challenges, opportunities, and entrepreneurship prospects in Jammu & Kashmir.

## COURSE CONTENT

### Module I: Introduction to Logistics and Supply Chain Management in Jammu & Kashmir

Scope of Logistics and Supply Chain Management; Evolution of Supply Chain Management; Role of Logistics in Economic Development and Business Competitiveness

Integrated Supply Chain Systems; Supply Chain Drivers and Performance Measures; Customer Service and Logistics Value Addition; Role of Technology in SCM

Economic and Business Environment of Jammu & Kashmir; Supply chain systems in Jammu & Kashmir; Digital transformation in logistics; Sustainable and Green Logistics in hilly regions

**Activities:**

**Activity 1: Supply Chain Mapping**

Map the supply chain of a commonly used product such as a smartphone, packaged food product, automobile or online purchase.

**Activity 2: Regional Supply Chain Study**

Map the movement of a selected J&K product from producer to final consumer.

### Module II: Transportation, Warehousing and Inventory Management in Regional Context

Transportation Management; Transportation Network Design; Freight and Fleet Management; Route Optimization; Multimodal Transportation Systems

Transportation and connectivity challenges in Jammu & Kashmir

**University of Jammu**
**Four-Year Innovative Undergraduate Program**
**(Design Your Degree)**
**Bachelor in Business Administration**
**Semester VII**
**(For the session 2026, 2027 and 2028)**

**Course Code: UMJDBT-715** | **Course Title: Logistics and Supply Chain Management**

**Credits: 04** | **Maximum Marks:100**
**Contact Hours: 60** | **Internal Evaluation: 40**
**External Evaluation: 60**

Warehousing Management; Warehouse Layout and Design; Cold Storage Systems; Smart Warehousing; RFID and IoT-enabled warehouses

Inventory Management – Objectives and Costs of Inventory; Inventory Systems; Demand Forecasting and AI-based inventory planning; Inventory management for perishables and tourism supplies

**Activities:**

**Activity 1: Inventory Decision Exercise**

Calculate EOQ, reorder point and safety stock for a selected business situation.

**Activity 2: Warehouse Design Challenge**

Design a basic warehouse layout for an e-commerce, retail or horticulture business.

**Activity 3: Transportation Cost Comparison**

Compare two or more transportation alternatives on the basis of cost, time, reliability and environmental impact.

**Module III: Procurement, Distribution and Supply Chain Integration**

Procurement and Vendor Management – Supplier Selection, Vendor Development, E-procurement Systems and Strategic Sourcing; Procurement challenges in geographically sensitive regions

Distribution Management – Distribution Channels, Retail Logistics, Reverse Logistics and Last-Mile Delivery Systems; E-commerce logistics and digital marketplaces for regional products

Supply Chain Integration – ERP Systems, SCM Software, CRM Integration and Information Sharing Systems; Bullwhip Effect; Supply Chain Coordination and Collaboration

**Activities:**

**Activity 1: Vendor Evaluation for Hospitality Sector**

Assess suppliers serving hotels and tourism enterprises.

**Activity 2: E-Commerce Logistics Study**

Analyze logistics systems supporting online sales of regional products.

**Activity 3: Cooperative Supply Chain Analysis**

Study procurement and distribution practices of farmer cooperatives and FPOs.

**Module IV: Emerging Trends and Strategic Issues in Logistics and SCM**

Supply Chain Risk and Resilience Management; Disaster and Crisis Management in Supply Chains; Risk mitigation in weather-sensitive and conflict-sensitive regions

Lean, Agile and Smart Supply Chain Systems; AI and Machine Learning in Logistics Optimization; Blockchain-enabled Supply Chains; Predictive Analytics in SCM

Government initiatives in Jammu & Kashmir related to logistics; Emerging opportunities in e-commerce logistics, startup ecosystem, export promotion, rural supply chains, warehousing and entrepreneurship development in Jammu & Kashmir

**Activities:**

**Activity 1: Cold Chain Gap Analysis**

Identify challenges in cold chain infrastructure for horticulture products.

**Activity 2: Green Logistics Project**

Recommend sustainable transportation and packaging practices.

**Activity 3: Smart Logistics Presentation**

Study AI, IoT, and Blockchain applications relevant to regional supply chains.

**Suggestive Project Work and Assignments:**

- Supply-chain mapping of an Indian product.
- Logistics mapping of tourism and pilgrimage routes
- Inventory management exercises for horticulture and retail sectors
- Field visits to warehouses, cold storage units and transport hubs
- Study of e-commerce and digital logistics systems for regional products
- Supply chain analysis of MSMEs and startup ventures in Jammu & Kashmir
- Projects on sustainable and green logistics practices in hilly regions
- AI-based supply-chain improvement proposal.
